

We should always remember to spread the cement of brotherly love and affection.

Thank you for sharing this special occasion with us this afternoon. We hope to see you at some of our future events throughout the year. Your attendance today and the support you give to the Lodge throughout the year is very much appreciated!

... And always remember to keep our passions within due bounds towards all mankind, particularly our brethren in Freemasonry...

Masonry teaches us to live our lives and actions agreeably to the dictates of reason.

Among masons no contention should ever exist, except that noble contention or rather emulation of who best can work and best agree.
