

Mission Statement
Petaluma Hamilton Lodge #180

Moving Forward

As we look to the future, in 2010, Petaluma Hamilton Lodge will move forward with receiving men of good moral character, get involved with the community and participate in Masonic Events that will not only grow our lodge but have an impact on the Northern California Masonic Communities.

Petaluma Hamilton Lodge has become the place where all good Masons can grow and educate them selves. I believe that we should not only nurture our newly obligated brethren, but also continue to mold our own Masonic lives, by taking the time to search out the unknown and as I am a die hard Star Trek Junkie – Go where you have never gone before. All masons wither-so-ever dispersed can learn. Be that mason, step out and show the world, community and your brethren that by your actions you have become a better man and a better mason.

Finally brothers', moving forward with Petaluma Hamilton 180, you will be part of it's becoming a super structure and a catalyst in our Masonic community. Look well to the East and support our lodge with those tenants which truly distinguish you as a mason.
